

ZTE Grand S Cover Replacement

I will be showing you how to remove the cover.

Written By: David

INTRODUCTION

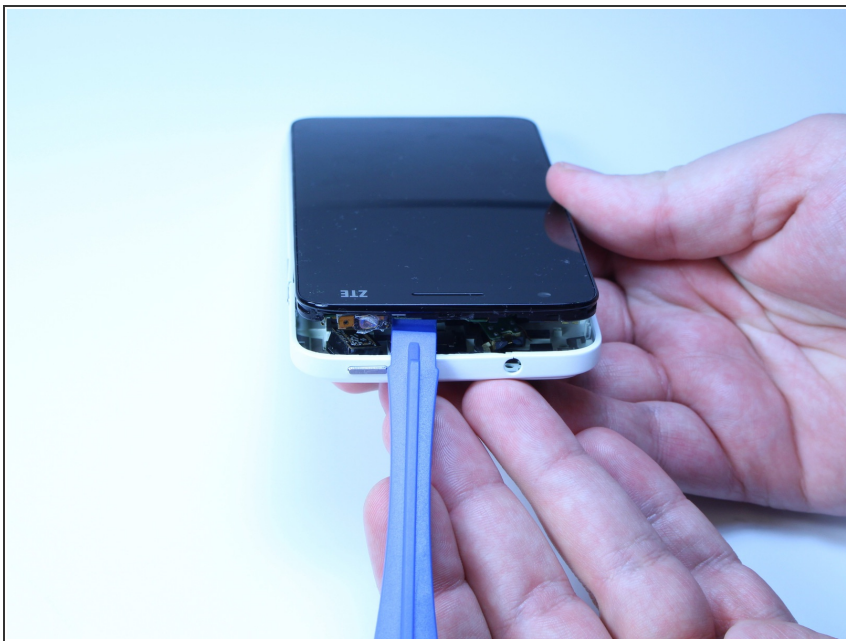

I will give you detailed instructions on how to remove the cover.

TOOLS:

- [Pro Tech Toolkit](#) (1)
-

Step 1 — Cover

- Insert wisdom here.

To remove the cover you must insert the plastic pry-tool in between the screen and cover. You then move the pry-tool around the phone to make sure that the cover is completely detached from the phone in all corners.
